

An aerial photograph of a gas station. In the upper left, a red-roofed canopy covers two white cars. Below it, a red car is parked in a lot. To the right, a green car is partially visible. A large, rounded orange rectangle with a thin green border is superimposed on the center of the image. Inside this rectangle, the letters 'CC' are displayed in a blue, outlined font. Below the letters, the words 'GAS STATION' are written in a bold, black, sans-serif font. The background shows a paved parking area, a grassy field with some trees, and a sidewalk on the right side.
